# Gwen Fox Gallery Gift Shop

Information for artists interested  
in displaying works for sale in the  
Gwen Fox Gallery Gift Shop.

### Do you produce creative works?

The Gift Shop displays works by local and regional artists whose works

- are original in design; without the use of patterns
- are original in execution; done by the artist without assistance
- have the majority of the work crafted by the artist (as opposed to 'assembled works')
- are unaided in production, and
- are based on observation, imagination, or the artist's photographs (or with written permission from photographs that are not taken by the artist).

All works must be acceptable topics for our family-friendly gallery/shop.

Over 80 artists and artisans are registered to display in the Gwen Fox Gift Shop.

### How to Submit Your Works for Consideration

Send a link to your website, or 3-5 images of works that demonstrate the kind of pieces that you would like us to consider for display in the Gift Shop. Then we can help you through the 3-step process to register as a gift shop artist. Email images or link to

[fibre@mts.net](mailto:fibre@mts.net)

Or phone Janice at 204-345-8483.

### Details to Know

Gift Shop inventory is changed out completely 3 times a year, and artists are required to respect the dates for replacing inventory. **The 2021 dates will be set by Dec 1, 2020:**

**February**– first change up

**May**– second change up

**September**– third change up.

Sizes and quantities are limited and are communicated before each change up. In November, we may ask artists to bring in additional inventory that is seasonal/Christmas themed.

### Commission

The Gwen Fox Gallery is a volunteer-run organization, and commissions from the sales of works in the Gift Shop assist with operating expenses. Commissions range from 20-40%, and change with individual circumstances. Need more info? Email us at [gwenfoxg@shaw.ca](mailto:gwenfoxg@shaw.ca)

### Volunteering & Opportunities

The Gallery and shop are staffed by two volunteers each day, and we need more volunteers! Consider participating in the Gallery as a volunteer, or on a committee. We need you!

Want to conduct some workshops or artist demo/talk? We have a designated room for workshops, our Spark Space, on the lower level. Contact us for details.
